IN THE CASTLE

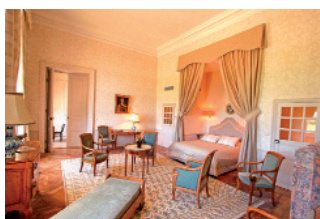

This place is like you imagine: **a splendid setting**, full of history and art of living, French excellence and beauty of patrimony. We worked with the **most famous European decoration companies** (Farrow & Ball, Brunschwig, Lelièvre, Pierre Frey, Braquenié, Mise en Demeure...).

Each bedroom **is different**, the original volumes were respected (from 15 to 50 m²) with their moldings, fireplaces and decoration, comfort is refined. To preserve **the intimate character** of this house, the bedrooms have at their disposal a kitchen on each floor to serve a drink or a snack.

A lounge and a private room with piano are available for moments shared by the fire (a drink, movies or games to share). **The pool** (unsupervised) is open in the season every day from 10am to 7pm and outside reception hours.

The garden, classified as a Remarkable Garden is accessible all day.

A minimum of 4 bedrooms or 2 suites are required.
