VIN DE FRANCE

DOMAINE FAMILIAL

#### ENVIRONMENTAL CONDUCT

Certified **High Environmental Value** (HVE).

#### GRAPE VARIETY

100% Chardonnay

#### TERROIR

Terroir marked by an exceptionally varied climate. The vines are exposed to the North to benefit from the shade during the hot summers. The altitude terroirs, thanks to their cool night temperatures, allow a slow maturation which enables the expression of elegant aromas.

#### VINIFICATION

**Vendanges sélectives aux premières heures du jour.** Immédiatement égoutté et pressuré.  
**Elevage en barrique et batonnage sur lies fines.**

#### TASTING NOTES

Bright gold color. Powerful and complex nose. Intense aromas with woody, fresh butter, brioche and almond notes. In mouth, the wine is ample, fresh with vanilla, condensed milk and spiced notes. Nice balance between acidity and sweetness. Ripe fruit and spiced flavours over a long finale.

#### PAIRING
